'Lunch Bunch' Welcomes Participants

The first Thursday of each month a congenial group of Historical Society volunteers, members, and community people gather around the table in the meeting room for a brown bag lunch. Conversation ranges from current events to remembrances of Granville history and lore, to travel recommendations, and, if Dick Daly is present, to puns and jokes guaranteed to elicit groans. When the stars align, there may be a special treat of a historic dessert as well. You're always welcome to join in, the rules are simple: bring your lunch, clean up your leftovers, prepare to have fun.

Do You Know . . .

In addition to our primary mission (As the community's collective memory, the Granville Historical Society acquires, preserves, and shares Granville's past with residents and visitors to inspire curiosity about, install knowledge of, and foster a commitment to our local history), we also cooperate with other Granville institutions on programs, participate in the Licking Co. Historical Alliance, and maintain memberships in state & national organizations committed to history.

Summer Heat Spurs Fall Program Planning

The program committee, chaired by David Skeen, has been working on programs for the Society's fall calendar. Among the early events will be our participation in the Ohio History Connection's Open Door program. The Granville Historical Society will open the door of the Old Academy building from 1 to 4 p.m. on Saturday, Sept. 10, with the abolitionist history of the building. A lemonade social will provide period appropriate refreshments.

On Tuesday, Sept. 27, another in our series of History as Background programs will focus on Turkey & Islam. Catalina Hunt of the Denison University history department will be the leader of this discussion with current event connections.

Other programs being arranged include one in cooperation with the Granville Library with a Henry Thoreau impersonator, and the Society's annual fall banquet and program that is set for Nov. 9. Watch for more details.

Artifact of the Month

This woven basket dates to the mid-19th century and may have seen multiple uses around the household. Carrying groceries home, storing knitting supplies, gathering garden or orchard bounty. The more romantic among us might envision it filled with a picnic supper prepared by a young lady for a church auction to be bid on by a charming young gentleman.
